PERFORMANCE

Please register your new spa within 7 days of delivery. You can register your new spa at <https://www.sundancespas.com/en-us/owners/register-your-product>. The spa must be registered before any authorized service work can be performed. To obtain service in the event of a defect covered by this Limited Warranty, contact your Sundance® Spas dealer or Sundance® Spas, Inc. (address below) as soon as possible and use all reasonable means to protect the spa from further damage. Upon proof of purchase, a designated service representative will correct the defect subject to the terms and conditions contained in this Limited Warranty. There will be no charge for parts or labor to repair the defect, although providing access to perform the repair is your responsibility as the spa owner. You may be assessed reasonable travel and mileage charges by the service representative. In the event that the spa is removed to a repair facility for repair and reinstalled, the cost of removal and reinstallation will be your responsibility as the spa owner. Sundance® Spas reserves the right, at its sole option, to either repair or replace any covered part or spa, and in the event it chooses to provide a replacement spa, it will be of equal value of the original spa. In such an event, reasonable costs for removal of the original spa, shipping costs from the factory for the replacement spa, and delivery and installation of the replacement will be your responsibility as the spa owner. The replacement spa will carry the balance of the original spa's warranty. Spa covers are not included.
